The Proposal submission module of e-procurement website <http://etender.up.nic.in> enables the Service Providers to submit the e-bids online against this tender published by SIL. Proposal submission can be done only from the Proposal submission start date and time till the Proposal submission end date and time given in the tender. Service Providers should start the Proposal submission process well in advance so that they can submit their Proposals in time. The Service Providers should submit their Proposals considering the server time displayed in the e-procurement website. This server time is the time by which the Proposal submission activity will be allowed till the permissible time on the last/end date of submission indicated in the tender

schedule. Once the Proposal submission date and time is over, the Service Providers cannot submit their e-bids. For delay in submission of Proposals due to any reasons, the Service Providers shall only be held responsible. The Shortfall of any documents can be requested by anytime during technical bid on the description of Management.

The Service Providers have to follow the following instructions for submission of their e-bids:

- 10.1 For participating in bids through the e-tendering system, it is necessary for the Service Providers to be the registered users of the e-procurement website <http://etender.up.nic.in>. For this, the Service Providers have to register themselves by depositing a fee in the office of U.P. Electronics Corporation Limited, 10 Ashok Marg, Lucknow, 226001 for getting a valid User ID and Password on e-procurement website <http://etender.up.nic.in>. The Service Providers may contact at U.P. Electronics Corporation Limited, 10 Ashok Marg, Lucknow 226001 or contact on phone numbers 0522-4130303 for getting registered at the e-Procurement website <http://etender.up.nic.in>. The Service Provider can enroll themselves through this site by clicking “online Service Provider enrollment” on the home page of the site.
- 10.2 In addition to the normal registration, the Service Provider has to register with his/her Digital Signature Certificate(DSC) in the e-tendering system and subsequently he/she will be allowed to carry out his/her bid submission activities. Registering the Digital Signature Certificate (DSC) is a one time activity. Before proceeding to register his/her DSC, the Service Provider should first log on to the e-tendering system using the User Login option on the home page with the Login ID and Password which he/she has got as per clause 11.1 above.

For successful registration of DSC on e-procurement website <http://etender.up.nic.in> the Service Provider must ensure that he/she should possess Class-2/Class-3 DSC issued by any one of the following certifying authorities approved by Controller of Certifying Authorities, Government of India such as Mahanagar Telephones Nigam Ltd. (MTNL), New Delhi and Tata Consultancy Services (TCS) Mumbai as the e-procurement website <http://etender.up.nic.in> is presently accepting DSCs issued by other authorities such as Customs & Central Excise, New Delhi; Institute for Development & Research in Banking Technology, Hyderabad; Safe Script, Chennai and (n) Code Solutions, Ahmedabad has been under active consideration. The Service Provider is advised to get his/her DSC issued by Mahanagar Telephones Nigam Ltd. (MTNL), New Delhi or Tata Consultancy Services (TCS), Mumbai on a safer side for successful registration of his/her DSC on e-procurement website. The Service Provider may also contact the office of U.P. Electronics Corporation Ltd. (UPLC) at the address given in clause 11.1 above for getting the desired DSC as UPLC also facilitates the Service Providers in getting the DSCs.

The Service Provider is also advised to register his/her DSC on e-procurement website well in advance before bid submission end date so that he/she should not face any difficulties while submitting his/her e-bid against this tender. The Service Provider can perform User Login registration/creation and DSC registration exercise as described in clauses 11.1 and 11.2 above even before bid submission date starts. SIL shall not be held responsible if the Service Provider

tries to submit his/her e-bid at the last moment before end date of submission but could not submit due to DSC registration or any other technical problem.

- 10.3 The Service Provider can search for active tenders through “Search Active Tenders” link, select a tender in which he/she is interested in and then move it to ‘My Tenders’ folder using the options available in the Bid Submission menu. After selecting and viewing the tender for which the Service Provider intends to bid from “My Tenders” folder the Service Provider can place his/her bid by clicking “Pay Offline” option available at the end of the view tender details form. Before this, the Service Provider should download the tender documents and study it carefully. The Service Provider should keep all the documents ready as per the requirements of tender document in the PDF format.
- 10.4 After clicking the ‘Pay Offline’ the Service Provider will be redirected to the Terms and conditions page. The Service Provider should read the Terms & Conditions before proceeding to fill in the Tender Fee and Processing Fee offline payment details. After entering and saving the Tender Fee and Processing Fee details, the Service Provider should click “Encrypt & Upload” option given in the offline payment details form so that “Bid Document Preparation and Submission” window appears to upload the documents as per Technical (Fee Details, Declaration by the Service Provider, Capability Statement & Annexures and Qualification details) schedule/packet given in the tender details. The details of the RTGS or any other accepted instrument which is to be physically sent in original before bid submission end date & time, should tally with the details available in the scanned copy and the data entered during bid submission time otherwise the bid submitted will not be accepted.
- 10.5 Next the Service Provider should upload the Technical Proposal documents for Fee Details (bid Processing Fee), Declaration by the Service Provider as per Section-II, Capability Statement as per Section-III & Annexures 1 to 5 and Qualification Details as per ITB Clause 17.1 of tender document. Before uploading, the Service Provider has to select the relevant Digital Signature Certificate. He may be prompted to enter the Digital Signature Certificate password, if necessary. For uploading, the Service Provider should click “Browse” button against each document label in Technical schedule/packet and then upload the relevant PDF files already prepared and stored in the Service Provider’s computer. The required documents for each document label of Technical (Fee Details, declaration by the Service Provider, Capability Statement & Annexures and Qualification Details) schedule/packet can be clubbed together to make single different file for each label
- 10.6 The Service Provider should click “Encrypt” next for successfully encrypting and uploading of required documents. During the above process, the bid documents are digitally signed using the DSC of the Service Provider and then the documents are encrypted / locked electronically with the DSC’s of the bid openers to ensure that the bid documents are protected, stored and opened by concerned bid openers only.
- 10.7 After successful submission of Proposal documents, a page giving the summary of Proposal submission will be displayed confirming end of e-bid submission process. The Service Provider

can take a printout of the b summary using the “Print” option available in the window as an acknowledgement for future reference.

- 10.8 SIL Management reserves the right to cancel any or all bids without assigning any reason.

11 Deadline for Submission of Proposal

11.1 Proposals must be submitted by the Service Providers on e-procurement website <http://etender.up.nic.in> as well as physically in sealed cover addressed to Managing Director, SHREETRON INDIA LIMITED, Gomti Barrage, Gomti Nagar, Lucknow no later than the time specified in the tender document.

11.2 SIL may, at its discretion, extend this deadline for submission of Proposals by amending the bid documents in accordance with ITB Clause 4, in which case all rights and obligations of SIL and Service Providers previously subject to the deadline will thereafter be subject to the deadline as extended.

12 Late Bids

12.1 The server time indicated in the Bid Management window on the e-procurement website <http://etender.up.nic.in> will be the time by which the Proposal submission activity will be allowed till the permissible date and time scheduled in the tender. Once the Proposal submission date and time is over, the Service Provider cannot submit his/her Proposal. Service Provider has to start the Proposal Submission well in advance so that the submission process passes off smoothly. The Service Provider will only be held responsible if his/her Proposal is not submitted in time due to any of his/her problems during Proposal submission process.

13 Withdrawal and Resubmission of Bids

13.1 At any point of time, a Service Provider can withdraw his/her submitted online before the Proposal submission end date and time. For withdrawing, the Service Provider should first log in using his/her Login ID and Password and subsequently by his/her Digital Signature Certificate on the e-procurement website <http://etender.up.nic.in>. The Service Provider should then select “My Bids” option in the Bid Submission menu. The page listing all the bids submitted by the Service Provider will be displayed. Click “View” to see the details of the bid to be withdrawn. After selecting the “Bid Withdrawal” option, the Service Provider has to click “yes” to the message “Do you want to withdraw this bid”? displayed in the Bid Information window for the selected Proposal. The Service Provider also has to enter the Proposal Withdrawing reasons and upload the letter giving the reasons for withdrawing before clicking the “Submit” button. The Service Provider has to confirm again the pressing “OK” button before finally withdrawing his/her selected bid.

13.2 The Service Provider has to request SIL with a letter, attaching the proof of withdrawal and submission of Proposal processing fee in the office of SIL, to return back the Proposal processing fee as per the manual procedure.

- 13.3 The Service Provider can resubmit his/her Proposal as and when required till the Proposal submission end date and time. The Proposal submitted earlier will be replaced by the new one. The payment made by the Service Provider earlier will be used for revised Proposal and the new Proposal submission summary generated after the successful submission of the revised Proposal will be considered for evaluation purposes. For resubmission, the Service Provider should first log in using his/her Login ID and Password and subsequently by his/her Digital Signature Certificate on the e-procurement website <http://etender.up.nic.in>. The Service Provider should then select “My Bids” option in the Bid Submission menu. The page listing all the bids submitted by the Service Provider will be displayed. Click “View” to see the details of the bid to be resubmitted. After selecting the “Bid Resubmission” option, click “Encrypt & Upload” to upload the revised bid documents by following the methodology proved in clauses 11.4 to 11.7.
- 13.5 The Service Providers can submit their revised Proposals as many times as possible within the scheduled date & time for submission of Proposals.
- 13.6 No Proposal can be resubmitted subsequently after the deadline for submission of Proposals.
