## 2. BACKGROUND AND SCOPE

- Ministry of Education (MoE, erstwhile Ministry of HRD) brought out a revised Centrally Sponsored Scheme for Vocationalisation of Secondary and Higher Secondary Education (CSS for VSHSE) to integrate employability education into School Education in September 2011. In 2018, this scheme got further revised and brought under the integrated initiative (Samagra Shiksha) by MoE and termed as Vocationalization of School Education (VSE). The revised norms allow a student to complete training in one Job Role in 9<sup>th</sup> and 10<sup>th</sup> standards; followed by another Job Role in 11<sup>th</sup> and 12<sup>th</sup> standards.
- The scheme is operated within the NSQF (National Skill Qualification Framework), which establishes a system of clear educational pathways from school to higher education while providing certification of vocational skills.
- The Government of **Telangana** has been implementing VSE in **192** schools till date, as per approval and funding from MoE and Government of **Telangana**. In 2019-20, Government of **Telangana** has been approved with additional **100** schools from MoE, for implementation of VSE.

The Govt. of **Telangana** has approached NSDC with a request to float REoI on their behalf and provide a panel of shortlisted NSDC approved Training Partners for the roll out of the scheme in **100** additional Government Schools from **2021** session.
